(b) if so, whether any food processing industry has been set up there in the public sector;

(c) if so, the details thereof; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI SUBODH KANT SAHAY): (a) Nagpur which is one of the major orange producing areas, has great potential for food processing industry.

(b) to (d) Two Public Sector food processing units under Maharashtra Agro Industries Development Corporation exist in Nagpur. This Ministry has been implementing various Plan Schemes for promotion and development of food processing industries and to attract investment in food processing sector in order to give boost to agro- food processing. Under the Scheme for Technology Upgradation/Modernisation/Establishment of food processing industries, Ministry of Food Processing Industries extends financial assistance to food processing units in the form of grant-in-aid @ 25% of the cost of plant and machinery and technical civil works subject to maximum of Rs. 50.00 lakhs in general areas and 33.33% subject to maximum of Rs. 75.00 lakhs in difficult areas such as Jammu & Kashmir, Himachal Pradesh, Uttrakhand, Sikkim and North Eastern States, A and N Islands, Lakshadweep and ITDP Areas. Food processing units using Orange as raw material are eligible for assistance under the Scheme.

Capacity of food processing and cold storages

749. DR. M.A.M. RAMASWAMY: Will the Minister of FOOD PROCESSING INDUSTRIES be pleased to state:

(a) whether Government have formulated any scheme to enhance the capacity of food processing and cold storages in the country;

(b) if so, the details thereof;

(c) the total extent of loss suffered due to poor storage facilities during the last three years;

(d) the total amount allocated to improve the storage facilities during that period, State-wise; and

(e) the extent of increase registered in the capacity of cold storages by each State?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI SUBODH KANT SAHAY): (a) to (e) Ministry of food Processing Industries has been providing financial assistance in the form of grant-in-aid for Technology Upgradation/Establishment/Modernization of food processing industries upto 25% of the cost of plant & machinery and technical civil works subject to a maximum of Rs. 50 lakhs in general areas and up to 33.33% in difficult areas subject to a maximum of Rs. 75 lakhs to various implementing agencies for the overall development of Food Processing sector.

Under the Cold Chain component of Tenth Plan Scheme, assistance upto 25% of the cost of plant & machinery and technical civil works in general areas and 33.33% in difficult areas with a common ceiling of Rs. 75 lakhs was admissible to all implementing agencies. The assistance under the scheme was limited to cold storages for non-horticulture produces, special type of cold storages with controlled/ modified atmosphere technology, cold storages as integral part of processing units or as a common facility in food parks. Besides, other agencies of Government of India like National Horticulture Board (NHB), Agricultural and Processed Food Products Exports Developments Authority (APEDA), National Cooperative Development Corporation (NCDC) and State Government also provide assistance under their respective schemes.

According to the report of M/s Rabo India, Finance Pvt. Ltd., wastage of agricultural food items is estimated to be about Rs. 58,000 crores annually occurring at various stages of handling after harvesting due to fragmented farming, provisions in Agricultural Produce Marketing (Development & Regulation) Act, lack of adequate post-harvest infrastructure such as lack of cold chain facilities, transportation, proper storage facilities, etc.

The budget allocation utilized by the Ministry on infrastructure development including Cold Storages during 2004-2005, 2005-2006 and 2006-2007 was Rs. 11.82 Crore, Rs. 15.65 crore and Rs. 13.21 crore respectively. The scheme is not state specific but project specific.

As per data maintained by Directorate of Marketing & Inspection (DMI), Ministry of Agriculture, the capacity of cold storages have increased from 195.52 Lakh MT (as on 31.12.2004) to 216.94 Lakh MT(as on 31.12.2006). State-wise details are given in the Statement.
